Leverage Shares

This is a **marketing communication.** Prospective investors should refer to the Exchange Traded Product ("ETP") Prospectus and Key Information Document (KID) before making any investment decisions.

No Legal or Investment Advice

The information on this website does not constitute legal, financial, or investment advice. It should not be considered an offer to sell or a solicitation to buy any security, including shares of any ETP promoted here, or other financial instruments, products, or services offered by Leverage Shares or its distributors ("Leverage Shares").

Investment Advice & Client Services

Leverage Shares constructs and issues ETPs but does not provide services to private investors, nor does it accept client funds directly. Leverage Shares' services are exclusively available to professional clients, as defined in this website's Terms and Conditions. Private investors should consult their personal advisor, broker, or bank for investment or trading inquiries. For technical questions regarding our ETPs, please contact us directly.

Investment Decisions

Any investment in promoted ETPs should be based on the official sales Prospectus, the relevant Supplement, and the KID, which outline the applicable terms and conditions.

Investment Risks

Investments in ETPs are subject to risk, including potential loss of principal. The value of investments may fluctuate, and investors may not recover the amount originally invested. Past performance is not indicative of future results and should not be the sole factor considered in selecting a product. Investors should carefully consider their investment objectives, risks, charges, and expenses before investing.

Documentation & Availability

The Prospectus, KID, and other relevant documentation are available free of charge on this website, and upon request via email. Please note that except for KIDs, documents are generally available in English and selected other languages.
